The book cover features a dark, textured background with a complex, woven pattern. Overlaid on this are several large, concentric circles, each filled with a fine, grid-like or woven texture, resembling traditional Indian crafts like basketry or textile patterns. These circles are arranged in a way that they seem to float or be woven into the background. The title is centered within a light-colored, irregularly shaped area that looks like a piece of fabric or a patch on the cover.
